## Mission Statement

### Aims and Objectives

Westhampnett Community Hall provides facilities for a wide range of leisure and recreational activities and social events, which are well promoted and easily accessible to all members of the local community. We aim to:

- to be a central hub for village activity and to develop community life and cohesion.
- provide a community space which is available for hire to all members of the community.
- seek proactively to identify
- support the hirers of the Hall through advertising activities and by encouraging other members of the community to attend and become involved.
- optimise the use of the Hall by hirers and to encourage a variety of activities.
- ensure that the running of the Hall meets all legal requirements and that procedures are adapted to comply with changing legislation.
- ensure the Hall is professionally run and easily accessible to all members of the community.
- run the Hall and manage its ongoing maintenance costs to ensure its long-term sustainability.
- support and encourage local charitable organisations
- raise grant funding where necessary to develop and maintain the Hall.

### Our Vision

- The hall's café (*when it opens in mid-January*) will focus on providing a meeting hub for all the community and user should expect a warm, friendly and personal experience through a relaxed café culture; supported by a professional open-minded management team and staff.
- The community hall will support and provide services for local businesses and develop networks and for the betterment of Westhampnett business life and the Village residents.
- We will strive to locally source and be environmentally friendly whilst promoting charity work and philanthropy.
- The hall's Management Committee will strive to become technologically leading and be innovative in its management style and operation delivering positivity and a memorable experience for its users/customers and a beacon to all other community halls across the UK.
- The hall should regularly engage with the local community through newsletters, online forums, social media and questionnaires and constantly strive and find ways to improve for the betterment of all in the village.
